Additional information: _____

*For Professional Membership, according to the bylaws of the EMA, professional members shall be individuals who have actively participated in training, husbandry, and/or management of elephants for a total of at least three (3) years accumulated over a period of no more than five (5) years preceding the date of application. The EMA Board of Directors will review professional memberships.

*For Contributing Professional Membership, according to the bylaws of the EMA, applicants, in the course of their professional duties, contribute significantly to the objectives of the EMA.

*Supporting Professional Membership, according to the bylaws of the EMA, applies to those applicants employed in managerial or professional level and indirectly participating in elephant management. Applicants must have participated in this capacity for a minimum of three years over the last five years immediately preceding application.
